OPENING MINDS, GROWING HEARTS

## Welcome to Doull Elementary!

Doull offers 3- and 4-year-old ECE programs through fifth grade, and is located in the heart of Harvey Park. At Doull, we take pride in opening minds and growing hearts for every person in the Doull community. We begin this adventure by modeling and teaching our children to be compassionate, mindful, and to always persevere. We offer a warm, caring and fun community. We're proud of our strong academics – our school has been Green since 2010 – but we also work to grow the hidden talents of our kids, and offer a variety of extracurricular activities. We are the jewel of southwest Denver!

## Focus on Achievement

*Doull has been rated "Green" since 2010, and is one of the highest-ranked elementary schools in southwest Denver!*

At Doull, academic success for every student is very important to us. We provide small group support and instruction in all content areas to meet the individual needs of all of our students. Doull is rated among the highest of all DPS elementary schools for our academic growth. Our school has been recognized for serving all students equally regardless of background, ethnicity or ability. The staff is experienced, passionate and committed to opening minds and growing hearts.

“

*Doull has great teachers. It's like a big family here that everybody is a part of!*” – Irene, fourth grade

## Personalized Student Learning

In our classrooms, you will see busy students – either working in small cooperative groups, completing projects on their Chromebook, or explaining their thinking on one of our Promethean Boards found in every classroom.

Through daily enrichment, early intervention, and small group instruction to meet each student's personalized needs, Doull aims to reach every student where they are and give every child what they need to learn, grow and be successful.

We offer 1:1 technology and individual Chromebooks for every student, kindergarten to 5th, allowing personalized feedback from teachers and opportunities to collaborate with peers on schoolwork.

“

*The personalized attention really makes Doull stand out.*” – parent of a Doull third grader

## Supporting the Whole Child

“

*At Doull, we teach the whole child. Our students know that they are loved and cared for here at Doull, so that they can take risks in their learning.” – Miss Lynn, MI teacher*

Doull provides a warm and caring learning community. We pride ourselves on giving every child what they need so our students can learn and grow. Beyond academic growth, students at Doull learn to be happy and healthy members of their communities. We infuse mindfulness practices into daily learning. We are committed to building personal relationships with each student and their families. Through our participation in the parent-teacher home visit program, we ensure that the hopes and dreams of our students are appreciated, and that our teachers personally know the families of their students.

*Happy students thrive at Doull! According to Whole Child Survey results, Doull students are ranked among the happiest in DPS.*

## Caring and Supportive Teachers

“

*This is the happiest place I’ve ever worked, and we have the happiest students as well.” – Dr. Suarez, fifth-grade teacher*

Doull teachers are **100% committed** to the success of each and every student. Everyone in our community — our teachers, school leaders, parents and families — are dedicated to creating a safe, encouraging environment. Our experienced and caring teachers strive to ensure that every child succeeds.

“

*The difference about Doull is the teachers. I just keep getting more and more impressed each year.” – Doull parent*
